

Merriam Pet Licenses

Thousands of pets find their way into local animal shelters each year without any form of identification. Purchasing a pet license from the City of Merriam will ensure that your special companion can be returned home quickly and safely. It's so easy and gives you an inexpensive insurance policy for your pet's safety as well as your peace of mind should it become lost.

Plus, it's the law! Merriam City Code requires all cats and dogs over the age of 6 months, to be licensed. Licenses are valid for one calendar year, renewable each January. Unless the pet is newly acquired, a delinquency fee of \$2 for each month the payment is late will be assessed if licenses are not renewed by March 1st.

2005 license fees: \$5.00 for each altered pet
\$10.00 for each unaltered pet
