The City of Merriam looking to inspire residents to enjoy the benefits of composting. Composting enriches soil, helps to retain moisture and reduces the need for chemical fertilizers. The city hopes to partner with local Master Gardener to conduct workshop on how leaves, grass and shrubbery trimmings can be turned into a valuable resource for your garden. The help offset resident's cost, the city will provide a \$35 rebate for attending the workshop. Workshop dates and times will be provided at a later date

To further promote composting, the city will provide a rebate of up to \$40 to residents that install a compost bin.

Residents that attend a workshop and install a compost bin, can receive a rebate of up to \$75.

Eligibility Requirements:

- You are a Merriam resident who lives in a single-family home or duplex.
- No more than one application per household.
- Applicants must provide a receipt of purchase for compost bin or materials.
- Materials must be sturdy such as hard plastic, wood or composite and have a lid.
- Staff will perform a post project inspection to verify project completion.
- Compost bin must be setback 7 feet from rear and side property lines and 10 feet from a residence.
- You will be notified of the date and time of the workshop or check www.merriam.org
- Applications will be accepted from January 1, 2022 to October 31, 2022.
