## Senior Movies Synopsis – January/February 2023

**The Outfit 1/4-** Leonard is an English tailor who used to craft suits on London's world-famous Savile Row. After a personal tragedy, he finds himself in Chicago, operating a small tailor shop where he makes beautiful clothes for the only people around who can afford them: a mobster family with a vicious reputation. Their demands have Leonard stitching up more than just their wardrobes.

**Ticket to Paradise 1/11-** Love is in the air on Bali as recent college grad Lily prepares to wed a local guy and her friend Wren finds herself falling for an island doctor. But Lily's parents -- now divorced -- are speeding to the island to put a halt to the festivities.

**Last Seen Alive 1/18-** When Will Spann's soon-to-be ex-wife Lisa mysteriously disappears during a stop at a gas station, a frantic Will engages the local Sheriff in an increasingly desperate attempt to find her.

**The Good House 1/25 -** After an intervention by her family, functioning alcoholic and New England realtor Hildy Good -- whose business is struggling -- slides back into the bottle. But renewing an old romance forces her to face her demons as her life goes into a tailspin.

**My Favorite Year 2/1** Peter O'Toole delivers a sensational knockout performance as Alan Swann, a booze-loving matinee idol -- and a has-been through and through -- who's forced into making a live variety show appearance to appease the Internal Revenue Service after they nail him for back taxes. Joseph Bologna (modeled after Sid Caesar from "Your Show of Shows") is equally memorable as the show's tempestuous star.

**Amsterdam 2/8-** Three World War I veterans who met in Belgium find their friendship tested when they witness a murder and quickly become the top suspects. As the trio struggles to clear their names, they uncover a plot that's wilder than anything they'd imagined.

**The Lucky One 2/15-** Marine vet Logan credits his good-luck charm -- a photo of an unknown woman -- for saving his skin in Iraq. Back in the States, he sets out to find the woman behind the smile that steered his fate.

**The Kid Detective 2/22-** A once-celebrated kid detective, now 31, continues to solve the same trivial mysteries between hangovers and bouts of self-pity. Until a naive client brings him his first 'adult' case - to find out who brutally murdered her boyfriend.
