# Synopsis

**October 1: Identity Thief-** Florida resident Diana (Melissa McCarthy) has a luxurious lifestyle as the queen of retail, buying whatever strikes her fancy -- and it's all free, thanks to Sandy Patterson (Jason Bateman), a guy from Denver whose identity she stole. With just one week to track down Diana before his world implodes, the real Sandy heads south to confront the unapologetic con artist and bring her back to Denver so that he can clear his name and restore his shattered credit rating.

**October 8: Overboard-** Kate is a single, working-class mother of three who's hired to clean a luxury yacht that belongs to Leonardo -- a selfish, spoiled and wealthy Mexican playboy. After unjustly firing Kate, Leonardo falls off the boat and wakes up with no memory of who he is. To get payback, Kate shows up at the hospital and convinces the confused amnesiac that they're married. As Leonardo tries to get used to manual labor and his new family, Kate starts to wonder how long she can keep fooling her fake husband.

**October 15: A Working Man-** Levon Cade left behind a decorated military career in the black ops to live a simple life of working construction. However, when human traffickers kidnap his boss's daughter, his search to bring her home uncovers a world of corruption far greater than he ever could have imagined.

**October 22: Get Smart-** When members of the nefarious crime syndicate KAOS attack the U.S. spy agency Control, the Chief has to promote his eager analyst Maxwell Smart to field agent. Smart, partnered with veteran Agent 99, blends inexperience, enthusiasm and ineptitude as he works to thwart a world-domination plot hatched by the wily KAOS chief, Siegfried.

**October 29: Hocus Pocus--** Teenage brothers Michael and Sam move with their mother to a small town in northern California, only to discover it hides a dark secret. While Sam befriends two comic-book enthusiasts who claim the town is plagued by vampires, Michael falls for a mysterious young woman who is under the sway of a dangerous gang leader. As Michael is drawn deeper into the world of the undead, Sam and his new friends must find a way to save him — and stop the vampires from taking over.
