The City of Merriam looking to inspire residents to enjoy the benefits of composting. Composting enriches soil, helps to retain moisture and reduces the need for chemical fertilizers. The city hopes to partner with local Master Gardener to conduct workshop on how leaves, grass and shrubbery trimmings can be turned into a valuable resource for your garden.

To further promote composting, the city will provide a rebate of up to \$150 to residents that attend a workshop on composting and install a compost bin.

Eligibility Requirements:

- You are a Merriam resident who lives in a single-family home or duplex
- No more than one application per household
- Applicants must attend a city endorsed composting workshop
- Applicants must provide a receipt of purchase for compost bin or materials
- Materials must be sturdy such as hard plastic, wood or composite and have a lid
- Staff will perform a post project inspection to verify project completion
- Compost bin must be setback 7 feet from rear and side property lines and 10 feet from a residence
- You will be notified of the date and time of the workshop or check www.merriam.org
- Applications will be accepted from January 2, 2024 to September 30, 2024

I have read, understand, and agree to the terms and conditions of this rebate program.

2024 Residential Compost Bin Rebate Program

- Encourage backyard composting among our residents by incentivizing the purchase of compost bins or the materials to make a bin
- **Applications will be accepted from January 2, 2024 to September 30, 2024**

Program:

- Provide knowledge and incentives for composting
- Total program amount - \$4,000
- Households that attend a city approved workshop and installs a compost bin can receive a rebate of up to \$150 for the purchase materials to construct and install a compost bin

Compost Bin Workshop Process:

- Workshop details will be announced on city's website www.merriam.org
- Applicants must provide proof of Merriam residency
- Attendance will be taken at the workshop
- Attendees must stay for the complete workshop

Eligibility for Compost Bin Installation Rebate:

- Applicants must live in single-family or duplex property within the City of Merriam
- Applicant must attend a city sanctioned composting workshop and install a compost bin
- Only one compost bin rebate per address, per year

Compost Bin Rebate Process:

- Prior to the installation of a compost bin the resident submits an application to Community Development Department
- Applicants will be reimbursed on a first come, first served basis until program funds are completely allocated
- Applicants must provide a **PAID** receipt of purchase for a compost bin or materials to build a compost bin
- Compost bins must be installed in 2024
- All compost bins must be built of sturdy materials, hard plastic, wood or a composite material and have a lid
- Compost bin must be setback 7 feet from rear and side property lines and 10 feet from a residence
- Prior to issuance of the rebate, city staff will perform an inspection to verify the installation meets city code
- Costs for ancillary composting supplies or services are not eligible for the incentive
- The City of Merriam is not a manufacturer, supplier or guarantor of compost bins and makes no representations or warranties of any nature, directly or indirectly, express or implied as to performance, reliability, performance, durability, condition or quality of any compost bin or manufacturer.

The city at any time, without prior notice, and at its sole discretion, modify or eliminate this program. State and local grants are ordinarily taxable for federal income purposes. If awarded, the City will report the grant to the IRS and send you a Federal IRS Form 1099. Please consult a tax professional if you have questions about any possible tax liability you may incur.
